Barcelona, 12 February 2018.- The second edition of the Rally Catalunya Històric “Trofeu Dues Catalunyes” is putting the finishing touches to the event that will be held on 2 and 3 March 2018. Next Tuesday, 13 February, the entry period closes and the list of the crews that have decided to take on the challenge of this regularity rally for classic cars built before 1984, with stages on closed road, organised by RACC, will be drawn-up.

One of the benefits most valued by participants is the Premium treatment received both by drivers and co-drivers. ### **A linear event, like it used to be**

The 2nd Rally Catalunya Històric “Trofeu Dues Catalunyaes” will be, like its first edition, a linear regularity race for classic cars, on closed roads, average speeds of up to 55 km/h, with two average speeds to choose from and all the innovations of its first edition that set trends in strictly regularity rallies. All of this surrounded by comfort services that turn it into a truly Premium event.

The event, with a route of approx. 600 km, will be staged on two days, with start (2 March, 15.00h, Avinguda de la Catedral) and finish (3 March, 20.30h, Hilton Diagonal Mar Barcelona) in Barcelona. The initial leg, a large part of which will be run at night, will have around 200 km. The 2nd leg, run completely in daylight, will take participants to France, with a stop for lunch, to return to Barcelona

from the neighbouring country after around 400 km. It is a linear configuration recalling the rallies from many years ago, like the “Rally Dues Catalunyes”, which it call to mind, an event that was held six times in the 1960s, always organised by the RACC.

The 2nd Rally Catalunya Històric “Trofeu Dues Catalunyes” will admit the participation of vehicles built between 1947 and 1984, grouped in 6 classes. Cars built in 1985 and 1986 will be able to take part as well, but will only opt for the class trophy and not the final classification. The entry fees (1,300€ and 1,150€ for RACC members) include Premium type features, all-included: In addition to the above-mentioned gastronomic and accommodation offer, the entry fee does also include: luggage transport during the rally, Blunik time-keeping; GPS follow-up; sending of stage-by-stage results to mobile devices; exclusive presents, metal plate of the event and “finisher” memento for both crew members.
